RethinkAbility Ski Challenge 2021

Welcome to the RethinkAbility Ski Challenge benefiting the National Sports Center for the Disabled (NSCD). The RethinkAbility Ski Challenge engages ski and ride enthusiasts from our traditional flagship event, with a socially distanced and exciting way to support the National Sports Center for the Disabled. **Rethink the traditional ski challenge with an individual goal of accruing the most vertical feet skiing or riding at Winter Park Resort in February 2021.** This event is open to everyone!

Let's Hit the Slopes! This is your chance to support the National Sports Center for the Disabled individually and to reign supreme by skiing the most vertical feet in one day **or** be the King or Queen of the slopes by raising the most money in the #RethinkAbility Ski Challenge. Pick a day from February 1st through February 25th and head to the slopes for some winter fun. Each individual racer will receive a lift ticket for your race day if needed, food and drink vouchers, and the ability to skip lines during your challenge. Racers will be given a Flaik tracker to accurately count your vertical feet for the day.

There are prizes for Top Vertical Feet Challenge Winner and Top Fundraiser!
